Atkinson Speaker Series

Attendees at the speaker series' events are typically local residents interested in the community and actively engaged in local schools, nonprofits, and civic affairs. Three events are being hosted in 2017 and six events in 2018. Each event averages 50 to 100 guests. Because the speakers are varied in topics, audiences will vary with each event as well.

Children's Programs

We offer programs for children of all ages. We host tours for homeschool groups, class field trips, professional development for teachers, and customized lesson plans and presentations for classroom instruction. Our programs match Arkansas curriculum frameworks for history, social studies, and government. Sponsorship of our children's programs is an opportunity for visibility to hundreds of parents and teachers in our area school systems.

Special Events

Throughout the year the museum hosts special events of interest to the community, including a fall tailgate party, Clinton Anniversary open house, 1970s themed party, holiday open house, spring jazz event, and summer garden party. Attendees are typically local residents interested in the community and actively engaged in local schools, nonprofits, and civic affairs. The fall tailgate event draws visitors from all over the state who are in town for a Razorback football game. Event attendance ranges from from 50 to 150.
